AIRPORT

Living at Peach State Aerodrome

Airpark lots for sale at GA2 in Williamson, Georgia. Country living meets an aviator's dream in this vintage and warbird aviation community. The picturesque, gated airpark features a spring-fed lake with a picnic area and dock for residents, walking trail, county water and underground utility access, a 45-minute commute to Atlanta, covenants and an HOA, and shared ownership in the 2,850 ft. grass runway. Lots vary in size from one to three acres, and all have direct access to the grass airstrip through taxiways and roads.
